
Docker : Docker MasterClass for DevOps

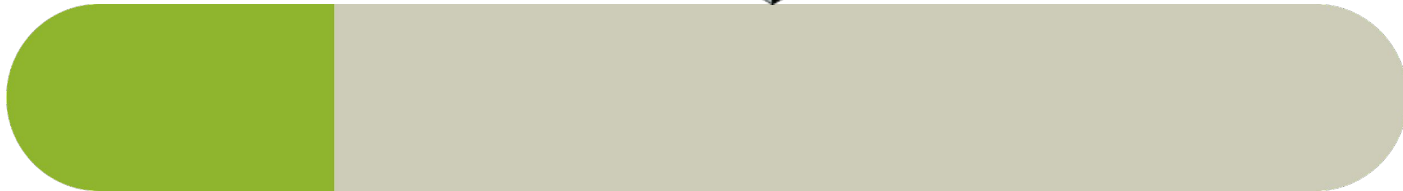

Hello VMware

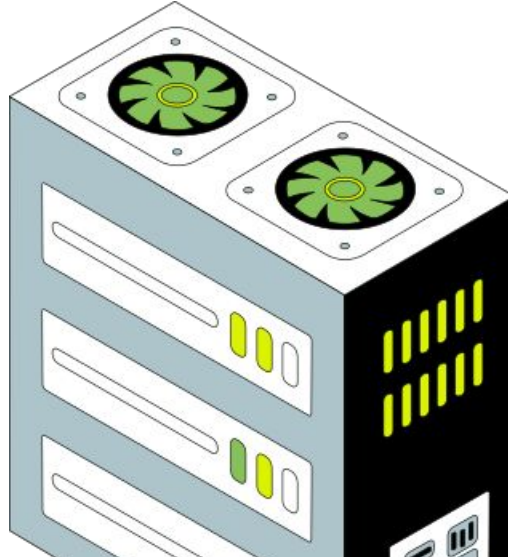

Docker : Service Containers

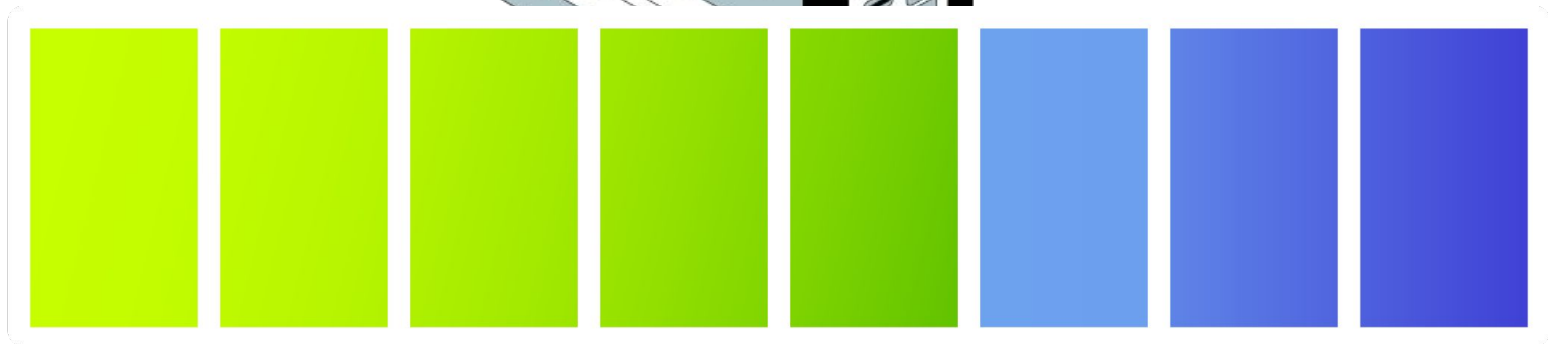

Big and Fast
Server

Docker : Service Containers

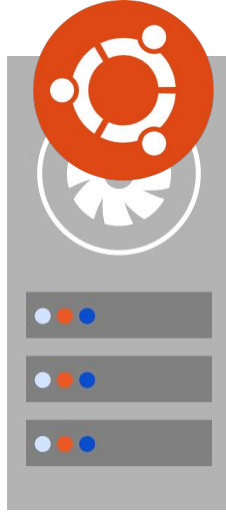

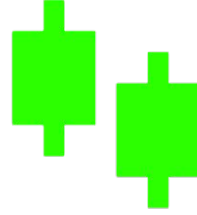

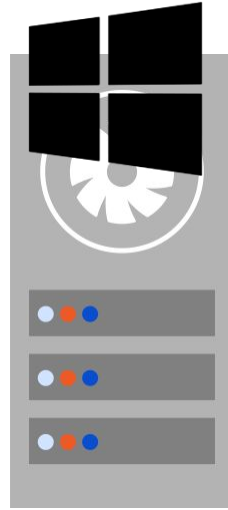

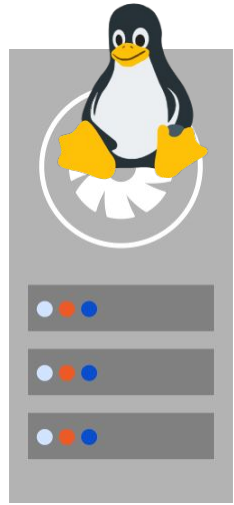

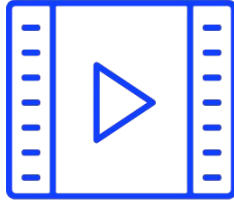

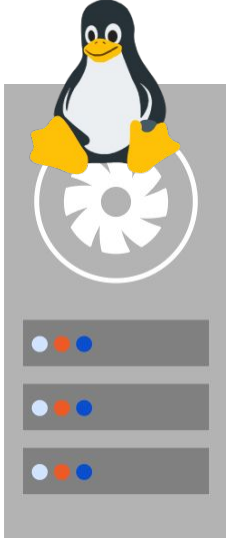

Big and Fast
Server

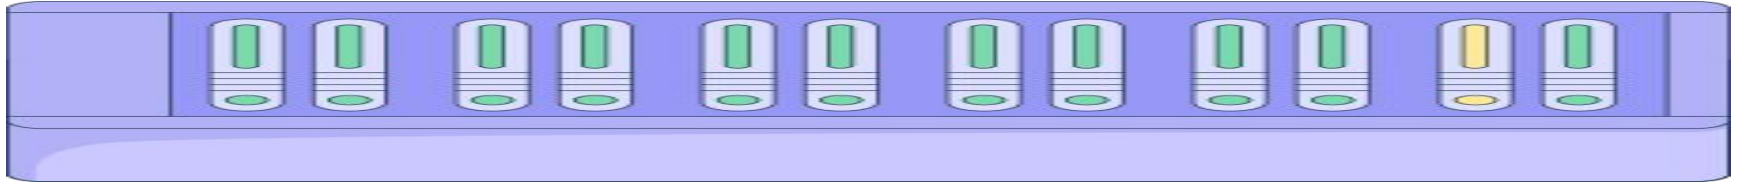

Docker : Service Containers

But, is that Sufficient ?

fire tv

Waste

Docker : Service Containers

Potential OS Overhead:

- License Costs
- Admin
- Patching
- Updates
- Anti-Virus
- Many More ...

Thank You...

Don't be the Same! Be Better!!!
